CHANGES TO INSURANCE PREMIUM RATES

Premium rates for death, total and permanent disablement and income protection insurance are increasing. New rates will apply from 1 July 2026.

The following rates apply to Media Super Sole Trader super. Premium rates vary depending on which division you're in, your age and occupation category.

If you have moved to another division, please go to mediasuper.com.au/SEN to view the relevant rates.

Fixed Death and TPD cover

If you joined Media Super before 9 April 2022, you may have fixed death and TPD cover. Unlike unit-based cover, with fixed cover you'll generally keep the same cover amount unless you change or cancel it, or it stops for another reason. But the cost of your cover will increase as you get older.

Changing fixed cover to units

If you have fixed death and TPD cover you have the option to change it to unit-based cover if you prefer. You can do this at the same time that you apply to increase or reduce your cover, or if you just want to change your cover to units, complete a *Change fixed cover to units* form, available at mediasuper.com.au/forms.

IP cover with a benefit period to age 65

If you joined Media Super before 9 April 2022, you may have IP cover with a benefit period to age 65.
